CROATIAN AIR TRAFFIC SAFETY ENGINEERING ASSOCIATION - CATSEA

in following text **HUITOPZ**

About HUITOPZ

HUITOPZ is the authoritative voice on the competence of Air Traffic Safety Electronics Personnel. Using our strong global network, we actively contribute to the improvement of air traffic safety performance.
<http://www.huitopz.hr>

ID Number: 03260925-000
OIB: 43957115567

Bank Account: HR7323600001101383810

HUITOPZ, as part of its activities, brings together engineers and technicians engaged on domestic and international issues related to aeronautical and aerospace, traffic technology, flight control and other factors with direct impact on the reliability and safety of air navigation from a technical point of view, based on the application of scientific and technical achievements in the field of mechanical, electrical, electronic, transport and other aviation science segments.

HUITOPZ is a member of Croatian Engineering Association (HIS) <http://his-hr.hr/his/eng> which its main goal is to represent the Croatian engineering community in meetings with European engineering community and related bodies . Headquarter is located in Zagreb.

HUITOPZ is a member of International Federation of Air Traffic Safety Electronics Associations - IFATSEA, which headquarter is located in Frankfurt a.M., Germany.

The Objects of HUITOPZ

- To operate as a non-political Federation of Air Traffic Safety Electronics Associations.
- To promote safety, efficiency and regularity in International Air Navigation.
- To assist and advise in the development of electronics systems in order to maintain the safe, orderly and expeditious flow of air traffic.
- To uphold a high standard of knowledge and professional efficiency among Air Traffic Safety Electronics Personnel.
- To protect and safeguard the collective professional interests of Air Traffic Safety Electronics Personnel.
- To make mutual benefit affiliations with other professional organisations.
- To strive for a worldwide Federation of Air Traffic Safety Electronics Associations.
